**Boys Being Boys** (ages 6-11, wk 2) - Spend an adventure-filled week with just the boys! Learn how to escape quicksand, build a raft, start a survival fire, tie basic knots, place a splint or write with invisible ink. Even learn some basic etiquette so you can impress like James Bond.

**Camping 101** (ages 6-11, wk 5) - Learn basic camping skills like building fires and pitching tents. Make camping food such as s'mores and trail mix. Build your own lantern. Learn to identify different animal tracks. Sing campfire songs, roast marshmallows, go on a nature-themed scavenger hunt and tell scary stories.

**Candy & Mold Making** (ages 6-11, wks 3 & 6) - Calling all budding confectioners and chocolatiers! Fabricate your own candy molds using food grade silicone. Then use your molds to make gummies and chocolates. Take your treats home to share, along with recipes!

**Cheerleading** (ages 6-14, wk 7) - We've got spirit, yes we do! We've got spirit, how 'bout you! Learn age appropriate cheerleading skills including motion technique, dances, jumps, tumbling and stunts, and build confidence, all in a safe and fun environment.

**Cooking** (ages 6-11, wks 2 & 5 / ages 8-14, wk 7) - Aspiring chefs will learn a variety of cooking skills to use for a lifetime. They will become familiar with kitchen utensils, measuring, following recipes, nutrition, and kitchen safety. Then they will put their skills to the test by creating recipes and making their own edible masterpieces to be taken home. *There is a \$30/student surcharge for this class to cover materials.*

**Crazy Games** (ages 6-11, wk 5) - The week is all about fun and unusual games. Campers will learn some unique games - like Gagaball, Jugball, Ants on a Log, Pin Down, Keeper of the Castle, Pirates - how to think outside of the box and how to create their own games!

**Dance Mania** (ages 6-11, wk 3) - Dance the week away! Come explore a variety of dance styles from contemporary to classical, as well as line and party dances. Learn the basics or take your skills up a notch. No partner required.

**Digital Photography** (ages 9-14, wk 7) - Campers will learn digital photography while working at their own individual skill level. Using the digital camera of their choice (BYOC), they will explore lighting, color, texture, composition, and other subject matter to achieve a solid grounding in both technical and creative photographic processes. Campers will also learn how to technically edit their photos with computer software.

**Duct Tape Fabrication** (ages 6-14, wk 4) - Have you ever wanted to just get your hands on lots of colorful duct tape, some cardboard and other odds and ends to create something? If so, this class is for you! Build free form or follow plans to build things like flip flops, a Captain America Shield, Thor's hammer, a backpack, wallet and other cool things!

**First Responders 101** (ages 4-5, wk 4) - Come learn about and meet our first responders - firemen, police officers, deputy sheriffs, paramedics, rescuers and our military. Enjoy games and activities, investigate a mock crime scene, put out a fire with a fire extinguisher and learn how to treat an injury in the field. Maybe you have a future as a first responder!

**First Responders 201** (ages 6-11, wk 4) - Come learn about and meet our first responders - firemen, police officers, deputy sheriffs, paramedics, rescuers and our military. Enjoy games and activities, investigate a mock crime scene, put out a fire with a fire extinguisher and learn how to treat an injury in the field. Maybe you have a future as a first responder! Come and find out!

**Flag Football** (ages 6-11, wks 4 & 7) - Learn the core skills of passing, catching, and de-flagging or defensive positioning while having fun. Become a champion both on and off the field through good sportsmanship and teamwork. All campers will have the opportunity to learn the game and improve their skills in a positive, secure environment.

**Food Art** (ages 6-11, wks 2 & 5) - Enjoy cupcake decorating, pancake art, candy mosaics, edible painting - paints and paper, and a surprise day. Merge your artistic and culinary talents into something delicious!

**Fun Factory** (ages 8-14, wk 2 / ages 6-11, wk 6) - Come spend a week in our fun factory! Test the limits of fun making things like Ninja Turtle Squishy Balls, instant soda slushies, glow-in-the-dark slime, matchbox rockets, magic mud from a potato, instant ice, a soda bottle blaster, a gravity puzzle and more.

**Girl Power** (ages 6-11, wk 4) - Whether you're a tomboy, a girly-girl, or a little bit of both, we invite you to join us for a summer adventure where we'll explore the gift and strength of your feminine genius! Learn about female heroes in history, female Nobel Prize winners, and female Saints; basic self-defense and how to deal with bullies; how to throw a football and even how to negotiate. Enjoy dance parties, making friendship bracelets, scrapbooking and more!

**Golf** (ages 6-11, wk 5) - Golfers of all skill levels are welcome to join us for a week of fun in the sun. Instruction will cover every aspect of the game, including putting, chipping, pitching, sand shots, full swing, course management, rules, and etiquette. Clubs will be provided for students who don't have their own.

**Gross & Fun Science** (ages 6-11, wk 1) - Ponder, predict and play your way through a week of slimy hands-on experiments designed to encourage curiosity and wonder. All experiments will be either gross, or fun, but ideally both!

**Gym Games** (ages 6-8, wk 6) - Get up and get moving! Join us for a week of playing your favorite gym class games - Gaga ball, glow-in-the-dark capture the flag, dodgeball, basketball, relay races, wiffle ball, knockout, tug-of-war and many others!

**Hair & Nail Salon** (ages 6-14, wk 5) - Have fun exploring hair and nail care and design! Girls will paint and decorate nails, enjoy manicure and pedicure workshops, and learn and practice various hair wrapping and braiding methods.

**Ice Cream Shoppe** (ages 8-14, wks 1, 4, & 7) - Do you like homemade ice cream? Spend a week creating your own flavors of ice cream, working in teams as you name your shoppe, create your logo and go into business making ice cream. Take home daily samples of your special custom flavors and toppings. *There is a \$30/student surcharge for this class to cover materials.*

**Jewelry Making** (ages 8-14, wk 4) - Express your creativity, while learning different jewelry making techniques. Design and create rings, pendants, earrings, pins, bracelets, necklaces and key chains.

**Jr. Engineering** (ages 6-11, wks 3 & 6) - Discover how things move with science. Join a team of Jr. Engineers and build bridges, domes, cubes and pyramids. Assemble simple machines such as, levers, pulleys, catapults, balances, crank fans, and/or tops to investigate the laws of physics. Learn what your toes have to do with tennis!

**Jr. Olympics** (ages 4-5, wk 7) - Come learn about different sports such as basketball, track and field, soccer, kickball, tee-ball, lacrosse, tag and playing catch with a lightweight ball. At the end of the week you'll put your skills to the test in a fun Olympic-style competition.

**Lacrosse** (ages 6-11, wks 2 & 6) - Learn the fundamentals of individual, group and team lacrosse skills. Campers will learn essential skills and basic offensive and defensive systems through fun lacrosse drills and games. Equipment will be provided for players who don't have their own.

**Laser Tag** (ages 8-14, wks 2 & 4) - Spend a week learning team strategies and playing one of the most popular games in the galaxy!

**Lawn & Field Games** (ages 6-11 wk 8) - Spend a week competing in America's favorite lawn and field games - Ultimate Frisbee, Volleyball, Ladderball, Bag Toss, Washer Toss, Tug of War, Capture the Flag, Kick Ball and more!

**LEGO® Motion** (ages 6-8, wks 3 & 4) - You will build with some of the most fascinating LEGO® components ever created, learning how to magnify, diminish, and redirect force to move objects at different speeds and directions. You will construct vehicles, machines, and other dynamic creations and come to understand the working principles of these inventions. You will also have opportunities to construct and play with your own inspired creations.

**Marvel Universe** (ages 6-11; wk 1) - Explore the creation & history of Marvel and their most popular superheroes like Spider-Man, Iron Man, Thor, the Hulk, Captain America and Wolverine, such teams as the Avengers, the X-Men, the Fantastic Four and the Guardians of the Galaxy as well as Marvel's supervillains like Thanos, Doctor Doom, Magneto, Ultron, Green Goblin, Loki, and Venom. Become your favorite Marvel character for a week, write a comic, train your superpowers with super stunts and test yourself in a supercharged obstacle course. Unleash your inner superhero for a week of fun in the Marvel Universe!

**Mask Making** (ages 6-14, wk 7) - Learn professional techniques in mask making, molding and casting, sculpting, painting, and fabricating. You'll work with clay, plaster, acrylics, papier-mâché, and other mixed media. Campers will create fun masks to take home!

**Math & Logic Challenge** (ages 6-11, wk 7) - Put your math and logic skills to the test! We will show you the fun side of math and logic through games, puzzles, tricks, brain teasers and other challenges. No worksheets, no homework, no tests, but watch out because you might learn something anyway! Use your quick wits and problem-solving skills to solve brain teasers, word problems and mind games. Sharpen your mind, increase your love for math, and have fun doing so before heading back to school!

**May the Force Be with You** (ages 6-11; wk 6) - Join the Resistance! Begin your Jedi training and explore new galaxies as you fight for peace and justice. Learn the ways of the Force, build droids, go on Jedi missions, eat Star Wars food and play Jedi games. Jedi in training will make their own lightsabers, Yoda ears and various Star Wars crafts. Compete in a Chewbacca roar contest and explore the customs, games, and food of the different planets of the Star Wars Universe. From building Ewok catapults to making Hoth ice cream, each day holds a variety of unique activities. Are you ready to help Rey, Finn, Poe Dameron, Chewbacca, Luke Skywalker and Princess Leia fight the forces of evil to defeat Kylo Ren and the First Order? Come and find out!

**Minecraft** (ages 6-14; wks 1, 3, 5 & 6) - If you like LEGOs, you'll love Minecraft. Minecraft is an extremely popular online strategic building game. In Minecraft you can freely interact with your environment and gather resources needed to create tools, homes, boats, bridges and more.

**Needle Arts** (ages 6-14, wk 1) - Enjoy a fun week of being introduced to needle arts such as knitting, crochet, and embroidery. Learn them all, choose what you like, and work on projects.

**Neon Glow Art** (ages 6-14, wk 5) - Let your creativity GLOW as hot neon colors and glow-in-the-dark media come to life under black light. Fun and creativity flow as you paint in the dark and watch your fluorescent creations pop with dimension. Projects include watercolor, fabric design, neon balloon animals, painting, and much more! The possibilities are endless in this NEON GLOW experience!

**Once Upon A Time** (ages 4-5, wk 5) - Make cool crafts, stretch your imagination and creativity, and play fun games as you journey through classic fairy tales! Dance with Cinderella or run around with the Three Little Pigs as we rediscover these beautiful stories in new ways.

**Pies A Plenty** (ages 8-14, wk 6) - Become a master pie baker as you make a different full-size pie each day as a group, which you will get to taste test in class, along with a small one to take home and share with your family. You will learn about making pastry, rolling pastry, double crust pies, lattice top pies, crumb crusts, fruit fillings, cream pies, and more! *There is a \$30/student surcharge for this class to cover materials.*

**Pizza Shoppe** (ages 8-14, wk 3) - Develop the perfect pizza! Working in with a small team, you will create your shoppe name, logo and business plan, while working daily to create the perfect sauce and experimenting with different types of crust. You'll learn how to make dough, roll it out and "throw" a pizza; take home pizza to share with your family; and enjoy a pizza party on Friday where you will taste test pizza from each shoppe to determine the best cheese pizza and the best signature pizza. *There is a \$30/student surcharge for this class to cover materials.*

**Princesses & Knights** (ages 4-5, wk 1) - Spend a week as a princess or a knight! Explore an ancient world through exciting activities, games, music, and art projects.

**Rugby (touch)** (ages 11-14, wk 1) - Learn the mechanics behind passing, catching and kicking balls, as well as the various positions and strategy behind the game of Rugby. Enjoy fun activities and games that will help you learn how to play one-on-one and as a team.

**Scrapbooking** (ages 6-14, wk 6) - Learn how to start or advance your scrapbooking hobby; everything from choosing the right supplies to effective journaling, designing interesting layouts, and developing an artistic eye as well as the story-telling aspect of scrapbooking. Bring photos, postcards and other personal items and we'll teach you how to put together an exciting scrapbook.

**Sculpting** (ages 6-11, wk 2) - Are you the next Donatello or Michelangelo? Spend a week honing your sculpting skills. View examples from some of the greatest artists in history and try your hand at sculpting using a variety of materials such as clay, soap and similar medium.

**Soccer** (ages 6-11, wks 4 & 7) - Campers will strengthen their individual soccer skills and sportsmanship through training with direct coaching in small groups. Instruction will focus on getting open, anticipating opportunities, shooting, and creativity in the attacking third of play. Further emphasis will be placed on defensive coverage in a one-on-one situation.

**Spa Science** (ages 6-14, wks 6 & 7) - Mix it, measure it, make it, try it out and take it home! You will get busy making fizzy bath bombs, sweet lip smackers, shake 'em up bath salts, yummy face masks and more. Become a clever spa scientist for the week as you learn about ingredients and how to combine them to make fun (and fabulous!) pampering goodies. Friday will be "Spa Day," where everyone can dress in a robe and slippers and sample and share what's been made! You will go home with new science know-how, spa goodies, and recipe cards detailing how to make what you created for the week. This hands-on class will make science "real" – and fun!

**Spies & Detectives** (ages 6-11, wk 3) - Learn secrets of espionage and detective work; from dissolving messages and decoding clues, students will have the opportunity to check out the skills that spies and detectives have in this hands-on journey into the world of espionage and detective work. Learn Morse code and other methods of leaving coded messages. Learn how to free yourself from duct tape and zip ties; how to make footprint molds and match tire tread; how to dust for finger-prints and write in invisible ink.

**Stars and Seas** (ages 4-5, wk 7) From the depths of the oceans to the limits of the galaxy, explore it all in a single week! Do you like sharks, dolphins and the occasional octopus? What about space travel and rocket ships? Join us for a week of activities and games that will engage you in the wonders of the stars and the seas!

**Street Hockey** (ages 6-11, wk 7) - Take a slapshot, play a scrimmage, practice your passing... you can do it all. Learn the basics, improve in defensive & offensive skills and concepts, all while practicing sportsmanship, responsibility, accountability and leadership. Equipment will be provided for campers who don't have their own.

**Superheroes** (ages 4-5, wk 6) - A whole week of superheroes! Create your own superhero, superpowers and back story. Train to use your superpowers with super stunts and test yourself in a supercharged obstacle course. Design your own logos and costumes, take on special missions, tackle obstacle courses and go on rescue missions to save other superheroes from villains. Uncover the beginnings of some of the best known superheroes while also discovering your own. Unleash your inner superhero!

**Survival Training** (ages 9-14, wks 1 & 7) - Are you the next Bear Grylls or Les Stroud? Join us for an exciting week learning many valuable skills, like tying important knots, starting a fire without matches or a lighter, building a sleeping shelter, making snares, developing directional skills and much more!

**Tennis** (ages 6-14, wk 2) - Learn ball and racquet control, sending and receiving skills, serving, and forehand/backhand strokes. Engage in fun drills and games to improve your skills.

**Treasure/Scavenger Hunt** (ages 6-11, wk 7) - Do you love challenges? If so, this is the camp for you! Search for hidden treasure using treasure maps, while competing with other crews searching for the same treasure. Learn the history of famous pirates and treasures and how maps were coded. Also get competitive with your team in a series of timed scavenger hunts.

**Ultimate Challenge** (ages 12-14, wk 3) - Are you competitive? Do you like a challenge? Then this camp is for you! Engage in numerous team and individual challenges that sound like they could have come straight from Survivor, Fear Factor, Minute to Win It, or The Amazing Race. Do you have what it takes to be the Ultimate Winner?!

**Ultimate Frisbee** (ages 6-8, wk 1 / ages 9-14, wk 6) - Come learn the FUNdamentals of ultimate Frisbee - catching, throwing, teamwork and sportsmanship, all in a positive and encouraging environment.

**Volleyball** (ages 9-14, wk 4) - Learn how to pass, set, spike, block, dig and serve, as well as the rules of the game, in a positive and encouraging environment which fosters teamwork and good sportsmanship. Enjoy drills and matches where you can show off your new or improved skills.

**World League Games** (ages 9-14, wk 8) Dodgeball, kickball, basketball, volleyball and other indoor sports. It's a hodgepodge week of sports, fun and competition. Bring your A-game!
